vamshisai765@gmail.com

Address

301 Dsr block, Gandimaisamma,
Telangana, 500043

Education

2019-2023

B.Tech

Malla Reddy College of Engineering

2017-2019

MPC, Intermediate

Sri Chaitanya Junior Kalasala

2016-2017

10th, SSC

MNR High School

Expertise

- C , Python, MySQL
- html, CSS, React.js
- javascript
- ms-office (Excel, Word)
- Communication, Analysis, problem solving
- Time Management, Teamwork

Language

English, Hindi Telugu

Hobbies

Badminton, Traveller, Foodie,
Comic, Animes, Games

Projects

○ Netflix Clone (Full Stack Development)

To Create an clone of Netflix with some screen's like home, movies, my-list, series page and some panels like latest added, Blockbusters, Top 10 movies etc. And to create we used some website are ThemovieDB, MongoDB etc. And in this project we grouped with three members to complete this project and we used tools like React Js, Node Js..

○ Signature Verification using CNN and OpenCV (Python)

This project is used to find the real signature of an person using the Database which is stored with real and forge image and also trained, tested the Database using CNN algorithm. And OpenCV is an platform in python to display the real or forge Signature of an person. This minor project is an combine of four members which includes me.

○ Eye Diseases identification using AI Technology (Matlab)

This major project is of four members and it is used to identify the eye diseases by using some tools like GUI, Bar-graph, Matlab. In this project we uses the trained Database and we compares the input image with trained Database. And in this, we also uses NN Algorithm.

Courses

- ML with Python at Verzeo EduTech
- Python at Dhaaps
- Full Stack Development at Unikaksha

Achievements / Activities

Newton's Coding Challenge

- Actively won 2465 rank in the coding challenge.

Namma Yatri

- Participation Certification in online event of Namma Yatri.

VISISTA Technical Event at MRCE

- Organized a Technical event (Blind Coding) in our college named "VISISTA".

Blood Donation Camp at MRCE

- Volunteered on Blood Donation Camp in our MRCE campus.

Campus Ambassador

- Campus Ambassador Internship completion certificate from NEO foundation.
